

# 5 REASONS TO PARTNER WITH A VIRTUAL ASSISTANT

## What is a Virtual Assistant?

A virtual assistant (VA) is a skilled independent contractor who provides administrative, technical, or creative assistance to clients remotely from a home office. Clients are not responsible for employee-related taxes, insurance, or benefits; they avoid the logistical problem of providing office space, equipment or supplies; and they only pay for productive work time. If you are looking for a reliable, dedicated, highly skilled, virtual assistant, email [donna@epicvirtualassistance.com](mailto:donna@epicvirtualassistance.com) to arrange a free consultation.
